

# Health/Medication Authorization Form

Complete this form for any individual with medical/behavioral concerns, medication (prescription/non-prescription), and/or emergency medical devices. This form must be completed fully. A new health/medication form must be completed at the beginning of each camp season, for each medication, and each time there is a change in dosage or distribution of medicine. Prescription medication must be in a container labeled by the pharmacist or prescriber. Non-prescription medication must be in the original container with the instructions for use. Non-prescription medication includes over-the-counter, vitamins, homeopathic, and herbal medicines. An adult must bring the medication to camp and give the medication to the adult camp operator/camp staff on site. Program staff will verify in writing the amount of medications they have accepted for an individual (up to 2 weeks).

## II. MEDICATION – PRESCRIBER’S AUTHORIZATION

A separate form must be completed for each medication the individual may need during camp hours. Individuals MUST be able to name and recognize, know the proper dosage and how to administer their medication. The first dose of any new medication must be taken 24 hours prior to attending an M-NCPPC program. Please note: the M-NCPPC medication policy differs for Day Camps and Playground/Teen Sites. Individuals enrolled in a Day Camp may self-administer a prescription, including emergency medical devices and over the counter medications during day camp hours; however, ONLY emergency medical devices can be self-administered at Playground/Teen Sites and individuals are required to self-carry.
